RE: Patent application No. 10/724,859, filed on 11-30-03 by Frank Brzozowski
To: Examiner Bret C. Hayes, c/o Teri P. Luu, Supervisory Primary Examiner:

Examiner Bret C. Hayes sent an Office Summary Action dated 09/09/04 with defects listed in the objections.

Enclosed is the expanded Revised Reply to the Office Action Summary, with a change in Figure 1 inserting no. 38, and Figure 6 consisting of a line to the correct object, the revised claims with the perviously filed citations and comments supporting my patent application. The amended claims are trying to conform and hopefully will be accepted by Mr. Hayes.

Complete packages and originals will be mailed 11-30-04.

Thank you for all of your help.
